SEPTEMBER 2023-PRESENT

SFS Mentorship Program – Charles H. Flowers HS

- Collaborated with high school mentees on shared research projects and joint literature reviews.
- Provided informal tutoring service for Computer Science related topics and concepts.

ACHIEVEMENTS

JUNE 2023

NSF CyberCorps Scholarship for Service Recipient – Bowie State University

MAY 2023

Donald S. Goodloe Merit Scholarship Recipient – Bowie State University

DECEMBER 2022/ MAY 2023/ DECEMBER 2023

Dean's List Recipient – Bowie State University

PROFESSIONAL EXPERIENCE

ACE Fire Extinguisher Service, College Park, MD

JUNE 2020 – AUGUST 2023

Account Representative

Coordinated and scheduled the servicing of fire extinguishers to ensure overall safety of a diverse range of facilities, properties, businesses, and organizations in the Metropolitan area. Rendered exceptional service by obtaining proper customer information, reviewing requests, drafting proposals, prioritizing work orders, and processing billing/invoicing. Served as a main point of contact between technicians and office staff to drive quality services across company's branches.

- Fostered and secured potential 300 customers and scheduled the annual service within a 3-week time frame.
- Recognized for creating new accounts for 10-15 new customers per month.

JUNE 2016 – AUGUST 2023

Fire Extinguisher Technician

Assumed key accountability for installing equipment, performing regular maintenance, and conducting annual inspection of fire extinguishers in compliance with county's fire codes and the (NAFSD) National Association of Fire Safety Distributions. Updated and maintained all records related to services using Field Service Application.

- Credited with accomplishing the service and maintenance of about 500-600 extinguishers per week.
- Maintained 95%-98% route completion rate on yearly basis tracked by service bridge application.
